Marketing, Sales Practices and Products Liability Litigation -  
MDL 2738***

Dear Magistrate Judge Singh:

In light of the PSC letter (dkt 32197) and the new paper, the expert report and deposition schedules will need to be adjusted modestly without impacting the August 22 deadline for completion of the 702 briefing so that the experts may address this new paper. Early this morning I reached out to Ms. O'Dell and Ms. Parfitt to meet and confer to that end and they have not been available today. But specifically, the May 21 deadline for the defense expert reports will need to be moved and we ask the Court's approval of that.

Thank you for your continued consideration of these matters.

Respectfully,

/s/ Susan M. Sharko
